DURAVENT® ACQUIRES HART & COOLEY®, SETTING A NEW STANDARD FOR THE HVAC INDUSTRY OF THE FUTURE

DETROIT, MI 10/5/21

DuraVent acquires Hart & Cooley, bringing together two industry leaders in the building products marketplace.

Both companies have a long history in the hearth and HVAC industries with legacy brands and innovative products. “Our immediate objective is to build one unified company, with one team, focused on world-class manufacturing and distribution,” said DuraVent President and CEO Simon Davis in announcing the deal.

“We are guided by our passion for innovation and commitment to creating the benchmark for responsive customer service.”

Together, DuraVent and Hart & Cooley products will ensure the highest standards of HVAC products in the marketplace enhancing quality of life for customers.

DuraVent also owns Security Chimneys in Montreal, Canada. Hart & Cooley is a leader in HVAC, manufacturing and distributing a portfolio of some of the most recognized and trusted brands in the industry, including Selkirk, AMPCO, AmeriVent, Heatfab and MILCOR. The transaction is supported by the Egeria Group through its Evergreen fund.

About DuraVent

Headquartered in Detroit, Michigan, DuraVent® is a recognized technological leader in the venting industry. Consistently first-to-market with new innovations in venting systems, DuraVent has captured its leadership position with best-in-class design and manufacturing capabilities, world-class distribution networks, and customer-first service and support.

Scientifically proven materials and unequalled engineering make DuraVent products not only the best and safest choice, but the only choice for professional quality venting solutions. DuraVent is committed to continuing this trend by providing the industry with cutting-edge products and refinements to existing products that not only meet the demands of today’s market but go beyond it.
